SimpleSeal™ CleanSlot™

First ISO 3-9 Rated Cleanroom Slot Luminaires, Ideal for Tight Spaces

Introducing Kenall's SimpleSeal CleanSlot CRS4 Series – the industry's first recessed slot luminaire series with ISO 3-9 and NSF2 ratings. Designed with a slim footprint the CleanSlot is ideal for BSL 1-2 rated spaces and areas with lower footcandle requirements, such as gowning rooms, locker rooms, passageways, airlocks and packaging areas. A tunable white option helps cleanroom staff maintain circadian rhythms in rooms that often receive no direct sunlight.

Performance certifications:

- IP65
- ISO 3-9
- NSF2
- USP 797-800

SimpleSeal CleanSlot CRS4 Series
