Safe, Whole Room Disinfection Option for Educational Settings

Designed with Budgets in Mind

School environments are breeding grounds for viruses, including those that cause COVID-19 and the seasonal flu. Indigo-Clean is a light fixture that safely and automatically disinfects; continuously protecting students and staff. **Get back to school—SAFELY—with the power of Indigo-Clean.**

Indigo-Clean option:

- Certified safe per IEC62471; the ONLY lighting standard that assesses risk to human health
- Uses safe, 405nm light
- Continuously disinfects between routine cleanings
- Clinically proven to kill 94% of SARS-CoV-2 and Influenza-A

Optional Whole Room Disinfection
